

Illinois DeMolay Conclave

The Basics (aka, "The Rules")

Welcome to Conclave. For the health and safety of our participants we have a few basic rules in regards to your participation.

Dorm Access: Only those who are assigned to a dorm area may be in that dorm area. Guys are not to be in the girl's area and girls may not be in the guy's area. Any socializing you wish to do should be done in one of the public common areas of the dorms or in the Student Center. Let's be respectful of each other's privacy!

Leaving Campus: Remember, once you are on campus, you are not to leave without letting Conclave Registration know. We realize there may be times you need to run to a store or get something that was forgotten. Youth members may not leave campus unless accompanied by an Advisor. Also, please check back in when you return.

Smoking: The State Policy is that smoking is permitted in designated areas. Smoking is not permitted (including vaping/E-Cigarettes) inside ANY building, within 15 feet of doors or any public areas in sight of the members, such as practice fields. Lastly, NO DeMolay or Sweetheart, regardless of age is permitted to smoke at DeMolay events (even if legal age to use tobacco products). The policy as it applies to DeMolays applies to all forms of tobacco based products (including vaping/E-Cigarettes).

Medication: Be aware that Advisors and other participants may NOT give any medication to attendees. If someone has a headache, you will need to send the person to first aid and they will need to contact the parent on what is acceptable. Giving medication without knowing the medical history of the individual can have life threatening consequences. Let Mom Deserio or Dad Lange determine the best course of action for someone uncomfortable. We will have sunblock and aloe available at the store to help prevent or soothe sunburns.

Name Tags: You are presented with a name tag at registration. You are expected to wear your name tags at all times to identify yourself as part of our group. We will be checking to make sure you have your name tags throughout the weekend. Should you find a name tag, please turn it in to registration or the DeMolay Store and we will make sure it gets back to the owners.

Dorm Keys: You will be assigned a physical key into the dorms. You are responsible to keep them safe. Tradition is to attach your key to your name tag lanyard and keep it with you at all times. If you lose the key, your Chapter will be responsible to pay for the replacement. The chapter key deposit will be applied to any fees for lost keys then the Chapter will be responsible for the balance.

Outside: Please do not go off campus and bring outside food (like Pizza hut, etc.) onto the campus. We have an agreement that food will be purchased through the campus.
