# EARN YOUR CERTIFICATE OF PROFICIENCY

Illinois DeMolay recognizes Active DeMolays who commitment the queries and obligations of the Initiatory and DeMolay Degrees to memory with a Certificate of Proficiency (also known as an Obligation Card).

Chapters require this card to be earned to hold elected office within a Chapter. Illinois DeMolay requires this certificate to be earned to hold Appointed or Elected Office. Holders of this certificate receive the added benefit of being a voting delegate of the State Chapter and can vote for State Officers and legislation.

To earn YOUR Proficiency Certificate, you must:

- Learn the examination queries and Obligations (Ritual Pages 70-73) or use an Illinois DeMolay Obligation book.
- Recite the Queries from memory in front of your Ritual Advisor, Chapter Advisor, State Ritual Advisor or Executive Officer. Note, you can use a RITUAL PROMPTOR during the examination. Also, you do NOT need to recite both Degrees at one time. You may do the Initiatory Degree at one sitting and DeMolay Degree at another.

The Proficiency Certificate will be awarded once you successfully complete BOTH queries and obligations.
